## ABOUT

I'm a full-time student with a growing knowledge in IT and general computing. Since a young age, computers and basic electronic hardware/software had interested me.

## SKILLS

- Fast learner.
- Excellent time management.
- Superior customer satisfaction.

## EXPERIENCE

### **Cellular Repair Tech, Tampa, FL** - *Self Employed*

September 2017 - PRESENT

- Requires an understanding of mobile devices.
- Involves managing multiple clients, on a strict timeline.

### **Chef Prep/Cashier, Centennial, CO** - *Chipotle*

July 2016 - August 2017

- Requires efficient time management skills.
- Provides the know-how to provide proper customer satisfaction.

## EDUCATION

### **Arapahoe High School, Centennial, CO** - *High School Diploma*

August 2014 - May 2017

Basic high school education involving a few tech related extracurriculars.

- Typing
- Intro to Info and Tech.

### **Erwin Technical College, Tampa, FL** - *Certifications + Coursework*

March 2018 - Current

Ten month program in which I'll be earning the following certifications.

- Comptia Network +.
- Comptia Security +.

---

## Certifications

### **Comptia A+ Certification** - July, 2018

Similar to the Testout PCPro Certification, however more respected in the IT industry. The exam is designed to certify the competency of entry-level PC computer service professionals in installing, maintaining, customizing, and operating personal computers.

### **Testout PCPro Certification** - May, 2018

Ensures knowledge of both PC hardware and software. This also comes backed with a \$1,000 USD skill guarantee.
